sagirogluhakan@outlook.com · +90 555 016 53 35 · linkedin.com/in/hakansgroglu · Bursa, Türkiye · Open to remote

SUMMARY

4+ years running paid media end-to-end for brands and agencies — $200K+ monthly budgets across six platforms, with AI and automation as infrastructure and ROAS as the only compass. Across agency and brand, I own the full operation for premium D2C brands: from performance analysis to category-level campaign architecture, plus the internal tools that run it.

SELECTED PROJECTS

PlanB SEO — **AI · Search Console · GA4**
AI-powered SEO analysis and reporting automation: crawls the site, surfaces keyword and content opportunities, and turns Search Console and GA4 data into automated SEO performance reports.

PlanB Ads — **Google Ads · Meta · TikTok**
An ad management and automation panel that runs Google, Meta, and TikTok campaigns from a single interface — monitoring, optimization actions, and automation in one place.

Klyr Publish — **Next.js · Playwright · Sharp · FFmpeg · Meta API**
Generates brand-accurate static + video ad creatives in 4 formats from a product URL and publishes them to Meta as PAUSED drafts — cutting creative prep + campaign setup from 1–2 days to ~5 minutes. Zero paid AI-API dependency (fully local render).

SkillB — **Next.js · Vercel** **skillb-project.vercel.app**
A reusable AI skill-library platform for packaging and sharing skills.
